## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 23-30 allowed.
2. The following is an examiner's statement of reasons for allowance: Claim 23 requires a query, which request the identity of the VoIP server with the lowest workload. This aspect is neither inherent in Trethewey nor can it be rendered obvious. For example, O'Neil et al. (US 6,128,279, previously cited) discloses measuring workload and assigning new load to the server with the lowest load in fig. 2B.S208 and column 7 lines 20-22, but provides no motivation for doing so. Additionally, Lu et al. (US 6,772,211) teaches away from using the measured lowest workload in column 15 line 60 – column 16 line 2.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Kerri M. Dyke whose telephone number is (571) 272-0542. The examiner can normally be reached on Monday through Friday, 7:00 am - 3:30 pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Chau Nguyen can be reached on (571) 272-3126. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
